## NOURISHMENT FUND IN FINANCIAL TROUBLE

Albany Nourishment Fund, which provides lunches and milk for needy school children, selected by school nurses, is in financial difficulty and unable to pay bills expected to total about \$100 for May and June of this year.

Treasurer Irene White of the Bank of America Solano Avenue branch said that after paying the bill of \$42.95 for the month of April, there is only \$10 left in the bank.

The fund, which has been a Soroptimist club project for the past couple of years, is supported by donations from the City of Albany and local organizations, but individual contributions would be more than welcome, Mrs. White said.

Marin PTA has been the top contributor this year with a donation of \$30 in September and \$25 in May after a second plea for funds was made.

Others who have contributed are Soroptimist club, \$50; City of Albany, \$50; Albany-North Berkeley Kiwanis club, \$40; Berkeley-Albany PTA Council (two contributions), \$35; Albany Rotary club, \$25; Cornell PTA, \$25; Vista PTA, \$15; Alberio Business and Professional Women's club, \$10, and Native Daughters, \$5.

"If charity does indeed begin at home, we hope to see local groups and individuals generously supporting this program which aids the needy of Albany," Mrs. White said.

Any contributions over and above needs of the current school year will be placed in the fund

## \$400 in Lotz Fund at Cornell

Cornell School Principal Milton Gordon has announced that the Dorothy Nichols Lotz Fund now stands at \$403, including contributions varying from \$100 from Cornell PTA to 65 cents in nickels and dimes from a current seventh grade student.

The fund honors Mrs. Lotz, who has taught at Cornell school 36 years and is retiring at the end of the current school year. It will be in the form of a savings account from which needy high school seniors may make non-interest loans of \$100.

Contributions, still being sought and gratefully accepted, may be sent to the school at 919 Cornell Ave.

## Next Week Is Graduation Issue

The next issue of the Times will carry a picture of the 1967 graduates of Albany High school and story of Commencement, which will be June 15 in the AHS auditorium followed by the All-Night Party in the clubhouse at Golden Gate Fields.

Elementary school graduates also will be announced next week.

## City Treasurer Grandmother Of Triplets

City Treasurer Marietta Ferreira became the grandmother of triplets, a boy and two girls, yesterday morning, June 6.

Her daughter, Mrs. Charles J. (Gloria) Borreani, gave birth to the healthy, four-pounds-plus infants at Alta Bates hospital in Berkeley.

This places the Borreanis in the category of having five children under five. They are the parents of a daughter, Rhonda, who will be five in July, and son, Charles III, who is two.

In addition to Marietta and her husband, Gil, of Stannage Avenue, the other proud grandparent is Mrs. Charles (Marie) Borreani of Jackson Street.

Other news from the Ferrelas is that their son-in-law and daughter, Dr. and Mrs. H. S. (Janet) Olcott, who have been in Venezuela, returned home yesterday with their three children, the youngest of whom had never been by the maternal grandparents.

## Volunteers Sought For Fireworks

Chamber of Commerce Co-Chairmen George Hein, H. F. Call and Bob Burns are seeking volunteers to assist with parking automobiles at Albany's July 4th fireworks.

Those who would enjoy participating in this civic project have been asked to call the Chamber of Commerce office (525-1771) and sign up.

## Hal Weller Services Thursday

Harold (Hal) Fraser Weller, longtime California newsman and former editor of the Times, died Wednesday morning at Albany hospital. Memorial services were conducted at Sunset View Thursday afternoon.

A native of Clinton, Iowa, Mr. Weller had lived the past couple of years at 6816 Fairmount, El Cerrito. For years the family home had been on Mendocino in Richmond.

Typical of the esteem in which he was held locally, he was named the first Honorary Life Director of the Albany Chamber of Commerce board of directors and was an honorary life member of Albany Rotary club.

The family has requested memorial gifts to the Albany Rotary Scholarship Fund, in care of the secretary at Box 4, Albany.

Survivors include his wife, Adele; three children, Mrs. N. W. Dowling, El Cerrito; H. Douglas Weller, city manager of Alameda, and Mrs. Jane McCormey of El Cerrito brother, Earle V. Weller of Richmond, and eight grandchildren.

Mr. Weller attended Occidental college, Brownsberger Business college in Los Angeles and studied electrical engineering through International Correspondence schools.

After leaving Occidental, of which his father was one of the

## Preliminary City Budget: Taxes Down, Expenses Up

Albany City Council will begin budget hearing this week based on a preliminary budget which indicates increased expenditures and a tax rate which may range from \$1.79 to last year's figure of \$1.91 per \$100 assessed valuation.

In his budget message, Administrative Officer James B. Turner recommended total expenditures of \$1,398,153, which is \$137,125 above the amount allowed for 1966-67.

## Cities Interested In Mayor's Waterfront Council

Several communications were read at the May 29 Albany City Council meeting indicating interest of other cities in Mayor Richard Clark's proposal to form an Inter-agency council to deal with waterfront planning and development.

Those responding included Donald J. Neary, mayor of Emeryville; deputy city clerk of Berkeley advising that a committee of three has been appointed on the project; Berkeley Mayor Wallace Johnson assuring that the Berkeley committee will make every effort to attend the meetings; Oakland Mayor John H. Reading indicating personal favorable attitude; Golden Gate Fields General Manager Robert

(Continued on Page 3)

The proposed budget includes a basic five per cent salary increase for city employees, city payment of full amount of employee's health insurance, waterfront planning, the city election in April, 1968, increased amount for race track guards due to contemplated 80 days of racing next year, undergrounding of the alarm system on Solano Avenue, Solano Avenue street lights, increased street maintenance, sidewalk survey and other items.

## Sewer Charge

Turner also proposes establishment of a sanitary sewer service charge. This will allow the city to begin a correction program on city sewers.

Because new assessed valuation figures are not yet in and there is no indication of what new assessments will be under the McAttee-Petris Act, Turner said some adjustments will be necessary.

In other action Monday night, Council authorized Mayor Richard Clark to write to four agencies asking a yes or no answer to his proposal to form a waterfront planning council. The four who have not replied are the City of Richmond, Bay Conservation and Development Commission, Contra Costa County Supervisors and Association of Bay Area Governments. On the agenda for June 5 was a reply from Alameda County Supervisors that the matter had been re-

Six "Circle SM" jackets were taken from St. Mary's High school about June 1. The royal blue wool jackets, which have white vinyl sleeves and are all about size 40, were valued at \$162.

On May 27, an almost-blind 76-year old Albany woman had her wallet snatched from her hand at 1137 Talbot. Bruce Pruter of 1127 Talbot followed the colored young man to Gilman, but the suspect got away because Pruter did not know what force he could use in making a citizen arrest. (Police say he could have held him and used force.) The wallet, still containing about \$1 in change and her house keys, was later found on Gilman. About \$13 in currency was missing.

cating a division of, or change in the boundary lines of the original  
Parcel. For example, "55-5555-55-1" is the designation for property  
described as Assessor's Map Book 55, Page or Block 5555, Parcel

## ALBANY HITS ALL-TIME HIGH IN CANCER DRIVE

Albany residents have reached an all-time high in their support of the American Cancer Society's annual educational and fund raising appeal and have exceeded the city's fund raising goal by a record-breaking 19 per cent.

Mrs. Clay Berling, Albany chairman for last April's house-to-house campaign, today announced that local residents contributed \$2,370, thus putting the city greatly over their 1967 goal of \$2,000.

The county-wide residential campaign currently stands at \$88,595 or 98 per cent of the \$90,000 goal. Mrs. Berling felt confident that the house-to-house campaign would easily top the \$100,000 mark before all official results are tabulated.

"This is the largest amount ever raised in the City of Albany by the American Cancer Society," she said, "and still there is money coming in from residents who were not at home when their volunteer called. It will be some time yet before final figures will be available, but thus far," she stated, "Albany is one of the pace-setting communities in the county and was the first to reach our dollar goal."

Although Albany is outstanding by its financial support of the campaign, Mrs. Berling stressed the fact that fund raising is just one phase of the dual purpose program. Educating the public to cancer's early warning signs and stressing the importance of annual physical examinations for every member of the family, is equally important, she noted.

## Fire Plug

Fire Plug wishes to bring to the attention of our citizens the responsibility with regard to parking near a fire hydrant. In the event of a fire emergency, the fire hydrant is a necessary aid in the protection of life and property. Fire hydrants should be kept clear of vehicles, plants and shrubs and other material that may impede the use of the hydrant during an emergency.

State law defines the distance that the clear area should be with regard to vehicles. Under the State Vehicle Code section 22514 it states that a hydrant must be kept clear to a distance of 15 feet unless signs or markings advise otherwise.

Sweeper winners for the American Legion league were Lyn Drozda and Joe Roncho. The champion team was Plaza Car Wash. Members of the team are Patty Oates, Bob Rhea, Jake Eber, and Bob Nora. High games bowled for the season were Steve Scolnik (Knapp's) for the boys and Patty Oates (Post 292) for the girls.

The winning team for the Junior-Senior trios were "The Sandbaggers." The team was made up of Eric Nevala, Bernice Straub, and Bill Gutierrez.

Albany Bowl has a junior singles tournament coming up soon.

Day Camp for Albany area boys and girls, ages 7-10, will be conducted by the YMCA for six week sessions from June 26 through August 5 at Tilden Park. Supervision is provided from 8 a.m. to 5 p.m., Monday through Friday. Transportation will leave Albany Y, 921 Kains Ave., at 7:30 a.m. and return at 4:30 p.m. Other pick-up will be made at the Berkeley Central YMCA. Campers will bring their swimming suit, towel and sack lunch. Milk will be provided at lunch.

Day Camp activities will include camp crafts, nature study, games, archery, swimming and overnights. Instruct-

tion in swimming is part of the program, especially for those who are beginners. Each Friday there will be an overnight as an optional feature. This also will be in Tilden Park, but in a different area than daily activities. Meals will be cooked over an open fire. Skits, singing and roasting marshmallows are the high lights of campfire just before going to sleep. A swim is the last event just before arriving back at the Albany at 10:30 Saturday morning ready for pick-up.

One of the underlying ideas of the YMCA is to help individuals grow in spirit, mind and body

through the application of Christian principles. Non-denominational chapel and devotional times are an integral part of the program. Activities will offer opportunities for the campers to learn the value in these principles.

All the leadership involved will have participated in a special training program so they can do the best possible job for the campers. Counselors will be in the ratio of one for ten campers. We are looking forward to an exciting summer, packed with fun that will not soon be forgotten.

For answers to questions, call the Y at 525-4833.

Among others who qualified were John Wallman, Marc Hanlan, John Fan, Sherry Petersen, Susan Berry and Barbara Caplan.

## Col. Mrs. Sam Dows Back From Three-Month Trip

Colonel and Mrs. S. R. Dows have returned to Albany from a three month circuit of the Southern Hemisphere. Following a month in New Zealand, Australia and Tasmania they flew to India for a peek at the Taj Mahal, then to historical Egypt and on to Nairobi and South Africa.

The Dows were enchanted with South Africa for its beautiful scenery, near perfect climate and general atmosphere of well-being. This part of the trip had

been carefully planned to get a first-hand view of a country which has been controversial. Opportunity was afforded them to see, with the air of a "colored" guide, the enormous progress which has been made to improve the lot of the "non-whites." Col. and Mrs. Dows offer no opinions concerning "apartheid" but they did express the wish that all critics of South Africa could see for themselves.

In 83 days, they visited four continents, travelled some 55,000 miles, registered in 45 hotels, crossed the equator six times, visited 22 foreign countries, rode 26 planes of 18 different airlines, and were searched once for concealed weapons before boarding a plane. This circuit was mostly "down under" in New Zealand and Australia, Kenya and South Africa, and South America. They came north only at New Delhi and Cairo to see the fabulous Taj Mahal and the time-worn Sphinx, Pyramids and Tombs along the Nile. They came north again in Lagos, Monrovia, and Dakar to connect with an Alitalia plane for Rio de Janeiro.

Except for Africa, the trip covered the exotic, historic and scenic "tourist" spots. In Kenya, Nigeria, Senegal and South Africa their mission was to observe the living conditions and attitudes of the people. The news is full of stories concerning the black people that they wanted to see for themselves and be better prepared to digest what is said by various "professional" observers. In that respect, the trip was immensely rewarding. The visit included a brief view of East Africa and West Africa where the business of politics and making a living can be very exciting. In Lagos, Nigeria, they were searched for concealed weapons before boarding their plane. And the plane took-off with a heavily armed guard to prevent another high-jacking. A plane had been stolen the day before.

From Dakar, Senegal, they flew to Brazil for a circuit of South America. One high light of this part of the trip was Iguassu Falls at the junction of Brazil, Paraguay and Argentina. Another "special" was a visit to the ancient Inca city of Cusco and the recently discovered ruins at Machu Picchu, high in the Andes of Peru. The ruins are located on a most inaccessible mountain above the Urbamba River, headwaters of the Amazon. Although Cusco is 11,000 feet above sea level, the ruins are only 9,000 so there was no problem with high altitudes.

After a brief visit to the Panama Canal, the Dows returned home to sort their many exciting color pictures and take a much needed rest. With both color slides and movies, the travellers will have some interesting stories to tell to any who are interested.

## Overseas League Installs June 10

The Oakland-East Bay unit of the Women's Overseas Service League will hold its installation of officers at Serb's Seafoods restaurant at noon Saturday, June 10.

Mrs. Wade (Kay) Kline of Oakland, a past president, will install the following officers: president, Miss Ruth Mund, Berkeley; vice president, Miss Geneva Spurr, Oakland; recording secretary, Mrs. John (Agnes) Carpenter, Berkeley; corresponding secretary, Miss Margaret Murrely, Oakland; treasurer, Miss Mae Bissell, Berkeley, and auditor, Mrs. Walter (Laura) Gregory, Alameda.

Outgoing President Miss Ila Kidd of Albany has rendered excellent service for the past two years and will remain a member of the executive board.

Women's Overseas Service League is a national service organization in its 44th year. It is comprised of women who have served their country overseas from World War I to the present, either in the armed forces, diplomatic corps, as teachers, American Red Cross, or on occupational assignments.

Ten members are planning to attend the national convention to be held at Durango, Colorado, from June 25 through June 29.

This year the unit is participating in the national service project entitled, "Pennies for Pat." For the past seven years Dr. Pat M. Smith, an American woman physician has been in charge of a hospital in Kontum, Vietnam. The hospital serves hundreds of the South Vietnamese highland inhabitants. Funds raised will help support the hospital and foster friendship and understanding between the two
